Subject: ARAP ID for Giuseppe DAlessandro
To: Richardson, Craig

You requested that I reset the remote access id password for Mr. DAlessandro, however, I do not find an id in his name. Can you tell me which server he should be on or the phone number he dials for remote access? If he does not currently have a remote access id, the request should be coordinated thru Fred Sicherman's area there in New York.

Let me know if I can be of further assistance.
